This press release includes forward-looking statements that involve risks and uncertainties. Forward-looking statements are statements that are not historical facts. Such forward-looking statements, including the identification of a target business and potential business combination or other such transaction, are subject to risks and uncertainties, which could cause actual results to differ from the forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described in the section entitled "Risk Factors" in the annual report on Form 10-K filed by OPES on March 30, 2020. Important factors that could cause the combined company's actual results or outcomes to differ materially from those discussed in the forward-looking statements include: BurgerFi's limited operating history; BurgerFi's ability to manage growth; BurgerFi's ability to execute its business plan; BurgerFi's estimates of the size of the markets for its products; the rate and degree of market acceptance of BurgerFi's products; BurgerFi's ability to identify and integrate acquisitions; potential litigation involving OPES or BurgerFi or the validity or enforceability of BurgerFi's intellectual property; general economic and market conditions impacting demand for BurgerFi's products and services; and such other risks and uncertainties as are discussed in the OPES annual report on Form 10-K filed with the SEC on March 30, 2020 and the proxy statement to be filed relating to the business combination. Other factors include the possibility that the proposed business combination does not close, including due to the failure to receive required security holder approvals, or the failure of other closing conditions.
