**NOTICE OF SPECIAL MEETING OF STOCKHOLDERS**

**TO BE HELD SEPTEMBER 15, 2020**

**TO THE STOCKHOLDERS OF OPES ACQUISITION CORP.:**

You are cordially invited to attend the special meeting (the “special meeting”) of stockholders of Opes Acquisition Corp, (the “Company,” “Opes,” “we,” “us” or “our”) to be held at 10:00 a.m. EST on September 15, 2020. Due to the COVID-19 pandemic, the Company will be holding the special meeting via teleconference using the following dial-in information:

[ ]

The special meeting will be held for the sole purpose of considering and voting upon a proposal to amend (the “Extension Amendment”) the Company’s amended and restated certificate of incorporation (the “charter”) to extend the date by which the Company has to consummate a business combination (the “Extension”) for an additional [●] days, from September 16, 2020 to [●], 2020 (the “Extended Date”). The Extension Amendment is more fully described in the accompanying proxy statement.

The purpose of the Extension Amendment is to allow the Company additional time to complete an initial business combination beyond the current September 16, 2020 deadline. The Company’s prospectus for its initial public offering (“IPO”) and its charter provided that the Company had until September 16, 2019 to complete a business combination. Since that time, the Company has sought and obtained stockholder approval to amend its charter to provide additional time to complete a business combination. Most recently, on June 18, 2020, the Company’s stockholders approved an amendment to the charter to provide that the Company would have until September 16, 2020. Thereafter, on June 30, 2020, the Company announced that it had entered into definitive agreements to acquire BurgerFi International, LLC (the “BurgerFi Business Combination”) and will file a proxy statement on Schedule 14A (the “BurgerFi Business Combination Proxy Statement”) for the purpose of soliciting stockholder approval of the BurgerFi Business Combination at a special meeting of stockholders. If approved, the Company would then consummate the BurgerFi Business Combination immediately thereafter. Although the Company expects to file the BurgerFi Business Combination Proxy Statement as soon as possible, the Company thinks it is prudent to seek stockholder approval to extend the time to close the transaction.

Accordingly, our board has determined that it is in the best interests of our stockholders to further extend the date that the Company has to consummate an initial business combination to the Extended Date.

The holders of shares of common stock issued in the Company's IPO (the "public shares") may elect to redeem their public shares for their pro rata portion of the funds held in the trust account (calculated as of two business days prior to the meeting) if the Extension is implemented (the "Redemption"). Holders of public shares do not need to vote on the Extension Amendment or be a holder of record on the record date to exercise their redemption rights. The per-share pro rata portion of the trust account on the record date after taking into account taxes owed but not paid by such date (which is expected to be the same approximate amount two business days prior to the meeting) was approximately \$[●]. The closing price of the Company's common stock on the record date was \$[●]. The Company cannot assure stockholders that they will be able to sell their shares of Company common stock in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such stockholders wish to sell their shares.

If the Extension Amendment is not approved, in accordance with our charter, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the outstanding public shares with the aggregate amount then on deposit in the trust account, and (iii) thereafter seek to dissolve and liquidate as described in more detail in this proxy statement.

The Company's board of directors has fixed the close of business on August 21, 2020 as the date for determining the Company's stockholders entitled to receive notice of and vote at the special meeting and any adjournment thereof. Only holders of record of the Company's common stock on that date are entitled to have their votes counted at the special meeting or any adjournment thereof. A complete list of stockholders of record entitled to vote at the special meeting will be available for ten days before the special meeting at the Company's principal executive offices for inspection by stockholders during ordinary business hours for any purpose germane to the special meeting.

After careful consideration of all relevant factors, the Company's board of directors has determined that the Extension Amendment is fair to and in the best interests of the Company and its stockholders, has declared it advisable and recommends that you vote or give instructions to vote "FOR" such amendment.

Enclosed is the proxy statement containing detailed information concerning the Extension Amendment and the special meeting. Whether or not you plan to attend the special meeting, we urge you to read this material carefully and vote your shares.

I look forward to seeing you at the meeting.

August [●], 2020

By Order of the Board of Directors

/s/ Ophir Sternberg

Chairman of the Board

**NOTICE OF SPECIAL MEETING OF STOCKHOLDERS**

**TO BE HELD SEPTEMBER 15, 2020**

**PROXY STATEMENT**

Opes Acquisition Corp, (the “Company,” “Opes,” “we,” “us” or “our”), a Delaware corporation, is providing this proxy statement in connection with the solicitation by the Board of proxies to be voted at the special meeting to be held 10:00 a.m. EST on September 15, 2020. Due to the COVID-19 pandemic, the Company will be holding the special meeting via teleconference using the following dial-in information:

[ ]

The special meeting will be held for the sole purpose of considering and voting upon a proposal to amend (the “Extension Amendment”) the Company’s amended and restated certificate of incorporation (the “charter”) to extend the date by which the Company has to consummate a business combination (the “Extension”) for an additional [●] days, from September 16, 2020 to [●], 2020 (the “Extended Date”). The Extension Amendment is more fully described in the accompanying proxy statement.

The purpose of the Extension Amendment is to allow the Company additional time to complete an initial business combination beyond the current September 16, 2020 deadline. The Company’s prospectus for its initial public offering (“IPO”) and its charter provided that the Company had until September 16, 2019 to complete a business combination. Since that time, the Company has sought and obtained stockholder approval to amend its charter to provide additional time to complete a business combination. Most recently, on June 18, 2020, the Company’s stockholders approved an amendment to the charter to provide that the Company would have until September 16, 2020. Thereafter, on June 30, 2020, the Company announced that it had entered into definitive agreements to acquire BurgerFi International, LLC (the “BurgerFi Business Combination”) and will file a proxy statement on Schedule 14A (the “BurgerFi Business Combination Proxy Statement”) for the purpose of soliciting stockholder approval of the BurgerFi Business Combination at a special meeting of stockholders. If approved, the Company would then consummate the BurgerFi Business Combination immediately thereafter. Although the Company expects to file the BurgerFi Business Combination Proxy Statement as soon as possible, the Company thinks it is prudent to seek stockholder approval to extend the time to close the transaction.

The holders of shares of common stock issued in the IPO (the “public shares”) may elect to redeem their public shares into their pro rata portion of the funds held in the trust account established at the time of the IPO (the “trust account”) if the Extension is implemented (the “Redemption”). Holders of public shares do not need to vote on the Extension Amendment or be a holder of record on the record date to exercise redemption rights.

Approval of the Extension Amendment is a condition to the implementation of the Extension. In addition, we will not proceed with the Extension if we do not have at least \$5,000,001 of net tangible assets following approval of the Extension Amendment, after taking into account the Redemption.

If the Extension Amendment is approved, the amount remaining in the trust account may be only a small fraction of the approximately \$●] million that was in the trust account as of the record date. In such event, the Company may need to obtain additional funds to complete a proposed business combination and there can be no assurance that such funds will be available on terms acceptable to the parties or at all. If the Extension Amendment is approved, the Company’s warrants will remain outstanding in accordance with their existing terms.

If the Extension Amendment is not approved, we will not have sufficient time to solicit the votes of our stockholders on the BurgerFi Business Combination. In accordance with our charter, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible, but not more than ten business days thereafter, redeem 100% of the outstanding public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including any interest but net of taxes payable, divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject (in the case of (ii) and (iii) above) to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

The holders of shares of common stock issued prior to the IPO ("insider shares") have waived their rights to participate in any liquidation distribution with respect to the 2,875,000 insider shares as well as the shares ("private shares") included in the 445,000 units ("private placement units") purchased by them simultaneously with the IPO. As a consequence of such waivers, a liquidating distribution will be made only with respect to the public shares. There will be no distribution from the trust account with respect to the Company's warrants, which will expire worthless in the event we wind up.

If the Extension Amendment is not approved and the Company liquidates, Lionheart Equities, LLC, our sponsor (the "Sponsor"), has agreed that it will be liable to us if and to the extent any claims by a vendor for services rendered or products sold to us, or a prospective target business with which we have discussed entering into a transaction agreement, reduces the amount of funds in the trust account to below \$10.10 per public share, except as to any claims by a third party who executed a waiver of any and all rights to seek access to the trust account and except as to any claims under our indemnity of the underwriters of our IPO against certain liabilities, including liabilities under the Securities Act. In the event that an executed waiver is deemed to be unenforceable against a third party, the Sponsor will not be responsible for such third-party claims. Furthermore, it will not be liable to our public stockholders and instead will only have liability to us. There is no assurance, however, that it will be able to satisfy those obligations to us. [Accordingly, regardless of whether an indemnification obligation exists, the per share liquidation price for the public shares is currently anticipated to be approximately \$[●], plus interest. Nevertheless, the Company cannot assure you that the per share distribution from the trust account, if the Company liquidates, will not be less than approximately \$[●], plus interest, due to unforeseen claims of creditors.

Under the Delaware General Corporation Law (the "DGCL"), stockholders may be held liable for claims by third parties against a corporation to the extent of distributions received by them in a dissolution. If the corporation complies with certain procedures set forth in Section 280 of the DGCL intended to ensure that it makes reasonable provision for all claims against it, including a 60-day notice period during which any third-party claims can be brought against the corporation, a 90-day period during which the corporation may reject any claims brought, and an additional 150-day waiting period before any liquidating distributions are made to stockholders, any liability of stockholders with respect to a liquidating distribution is limited to the lesser of such stockholder's pro rata share of the claim or the amount distributed to the stockholder, and any liability of the stockholder would be barred after the third anniversary of the dissolution. However, because the Company will not be complying with Section 280 of the DGCL, Section 281(b) of the DGCL requires us to adopt a plan, based on facts known to us at such time that will provide for our payment of all existing and pending claims or claims that may be potentially brought against us within the subsequent ten years. Because we are a blank check company, rather than an operating company, and our operations have been and will continue to be limited to searching for prospective target businesses to acquire, the only likely claims to arise would be from our vendors (such as lawyers, investment bankers, etc.) or prospective target businesses.

If the Extension Amendment is approved and the Extension is implemented, the Company will (i) remove from the trust account an amount (the "Withdrawal Amount") equal to the pro rata portion of funds available in the trust account relating to any redeemed public shares, if any, and (ii) deliver to the holders of such redeemed public shares their pro rata portion of the Withdrawal Amount. The remainder of such funds shall remain in the trust account and be available for use by the Company to complete a business combination on or before the Extended Date. Holders of public shares who do not redeem their public shares now will retain their redemption rights and their ability to vote on a business combination through the Extended Date if the Extension Amendment is approved and the Extension is implemented.

The record date for the special meeting is August 21, 2020. Record holders of shares of the Company's common stock at the close of business on the record date are entitled to vote or have their votes cast at the special meeting. On the record date, there were 7,863,069 outstanding shares of Company common stock, including 4,543,069 outstanding public shares. The Company's warrants do not have voting rights.

This proxy statement contains important information about the special meeting and the proposal. Please read it carefully and vote your shares.

This proxy statement is dated August [●], 2020 and is first being mailed to stockholders on or about that date.

## QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING

These Questions and Answers are only summaries of the matters they discuss. They do not contain all of the information that may be important to you. You should carefully read the entire document, including the annexes to this proxy statement.

Q. What is being voted on?

A. You are being asked to vote on a proposal to amend the Company's charter to extend the date by which the Company has to consummate a business combination to the Extended Date.

Approval of the Extension Amendment is a condition to the implementation of the Extension.

If the Extension is implemented, the Company will remove the Withdrawal Amount from the trust account, deliver to the holders of redeemed public shares, if any, the pro rata portion of the Withdrawal Amount and retain the remainder of the funds in the trust account for the Company's use in connection with consummating a business combination on or before the Extended Date.

We will not proceed if we do not have at least \$5,000,001 of net tangible assets following approval of the Extension Amendment, after taking into account the Redemption.

If the Extension Amendment is approved and the Extension is implemented, the removal of the Withdrawal Amount, if any, from the trust account will reduce the Company's net asset value. The Company cannot predict the amount that will remain in the trust account if the Extension Amendment is approved and we must remove the Withdrawal Amount. The amount remaining in the trust account may be only a small fraction of the approximately \$[●] million that was in the trust account as of the record date. In such event, the Company may need to obtain additional funds to complete a business combination and there can be no assurance that such funds will be available on terms acceptable to the parties or at all.

If the Extension Amendment is not approved, we will not have sufficient time to solicit the votes of our stockholders to approve the BurgerFi Business Combination and consummate the BurgerFi Business Combination. As a result, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible, but not more than ten business days thereafter, redeem 100% of the outstanding public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including any interest but net of taxes payable, divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject (in the case of (ii) and (iii) above) to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

The holders of the insider shares and private shares have waived their rights to participate in any liquidation distribution with respect to such shares. There will be no distribution from the trust account with respect to our warrants, which will expire worthless in the event we wind up. The Company will pay the costs of liquidation from its remaining assets outside of the trust account. If such funds are insufficient, the Sponsor has agreed to advance it the funds necessary to complete such liquidation (currently anticipated to be no more than approximately \$15,000) and has agreed not to seek repayment of such expenses.

Q. Why is the Company proposing the Extension Amendment?

A. The Company is a blank check company formed in July 2017 for the purpose of entering into a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities. In March 2018, the Company consummated its IPO from which it derived gross proceeds of \$115,000,000 (including \$15,000,000 from the exercise of the underwriters' over-allotment option). Like most blank check companies, our charter provides for the return of the IPO proceeds held in the trust account to the holders of public shares if there is no qualifying business combination(s) consummated on or before a certain date (in our case, September 16, 2019).

The Company's charter provided for the return of the IPO proceeds held in the trust account to the holders of public shares if there is no qualifying business combination(s) consummated on or before September 16, 2019. Since that time, the Company has sought and obtained stockholder approval to amend its charter to provide additional time to complete a business combination. Most recently, on June 18, 2020, the Company's stockholders approved an amendment to the charter to provide that the Company would have until September 16, 2020. Thereafter, on June 30, 2020, the Company announced that it had entered into definitive agreements for the BurgerFi Business Combination and will file the BurgerFi Business Combination Proxy Statement for the purpose of soliciting stockholder approval of the BurgerFi Business Combination at a special meeting of stockholders. If approved, the Company would then consummate the BurgerFi Business Combination immediately thereafter. Although the Company expects to file the BurgerFi Business Combination Proxy Statement as soon as possible, the Company thinks it is prudent to seek stockholder approval to extend the time to close the transaction.

The Company believes that given the Company's expenditure of time, effort, and money on negotiating with and reaching definitive agreements with BurgerFi, the circumstances warrant providing public stockholders an opportunity to consider the proposed BurgerFi Business Combination.

The board of directors believes that it is in the best interests of the stockholders to continue the Company's existence until the Extended Date in order to allow the Company more time to complete an initial business combination and is therefore holding this special meeting. Accordingly, the Company's board of directors is proposing the Extension Amendment to extend the Company's corporate existence until the Extended Date.

**YOU ARE NOT BEING ASKED TO VOTE ON THE BURGERFI BUSINESS COMBINATION AT THIS TIME. IF THE EXTENSION IS IMPLEMENTED AND YOU DO NOT ELECT TO REDEEM YOUR PUBLIC SHARES NOW, YOU WILL RETAIN THE RIGHT TO VOTE ON THE BURGERFI BUSINESS COMBINATION WHEN IT IS SUBMITTED TO STOCKHOLDERS AND THE RIGHT TO REDEEM YOUR PUBLIC SHARES FOR A PRO RATA PORTION OF THE TRUST ACCOUNT IN THE EVENT A PROPOSED BUSINESS COMBINATION IS APPROVED AND COMPLETED OR THE COMPANY HAS NOT CONSUMMATED A BUSINESS COMBINATION BY THE EXTENDED DATE.**

Q. Why should I vote for the Extension Amendment?

A. The Company's board of directors believes stockholders will benefit from the Company consummating an initial business combination and is proposing the Extension Amendment to extend the date by which the Company has to complete a business combination until the Extended Date and to allow for the Redemption. The Extension would give the Company additional time to complete a business combination.

Given the Company's expenditure of time, effort, and money on searching for potential business combination opportunities, circumstances warrant providing public stockholders an opportunity to consider a proposed business combination, inasmuch as the Company is also affording stockholders who wish to redeem their public shares as originally contemplated, the opportunity to do so as well. Accordingly, we believe that the Extension is consistent with the spirit in which the Company offered its securities to the public.

Q. How do the Company's executive officers, directors and affiliates intend to vote their shares?

A. All of the Company's directors, executive officers and their respective affiliates, as well as the Sponsor, are expected to vote any common stock over which they have voting control (including any public shares owned by them) in favor of the Extension Amendment.

The holders of the insider shares and private shares are not entitled to redeem such shares in connection with the Extension Amendment. On the record date, the 2,875,000 insider shares and 445,000 private shares represented approximately 42% of the Company's issued and outstanding common stock.

Neither the Company's Sponsor, directors or executive officers nor any of their respective affiliates beneficially owned any public shares as of the record date. However, they may choose to buy public shares in the open market and/or through negotiated private purchases after the date of this proxy statement. In the event that purchases do occur, the purchasers may seek to purchase shares from stockholders who would otherwise have voted against the Extension Amendment and/or elected to redeem their shares. Any public shares so purchased will be voted in favor of the Extension Amendment.

Q. What vote is required to adopt the proposal?

A. *Extension Amendment.* Approval of the Extension Amendment will require the affirmative vote of holders of a majority of the issued and outstanding shares of the Company's common stock as of the record date.

Q. What if I don't want to vote for the Extension Amendment?

A. If you do not want the Extension Amendment to be approved, you must abstain, not vote, or vote against the proposal. If the Extension Amendment is approved, and the Extension is implemented, then the Withdrawal Amount will be withdrawn from the trust account and paid to the redeeming holders, if any.

Q. Will you seek any further extensions to liquidate the trust account?

A. Other than the extension until the Extended Date as described in this proxy statement, as of the date of this proxy statement, the Company does not anticipate seeking any further extension to consummate a business combination, although it may determine to do so in the future.

Q. What happens if the Extension Amendment is not approved?

A. If the Extension Amendment is not approved, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the outstanding public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including any interest but net of taxes payable, divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject (in the case of (ii) and (iii) above) to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

The holders of the insider shares and private shares waived their rights to participate in any liquidation distribution with respect to such shares. There will be no distribution from the trust account with respect to our warrants which will expire worthless in the event we wind up. The Company will pay the costs of liquidation from its remaining assets outside of the trust account, which it believes are sufficient for such purposes. If such funds are insufficient, the Sponsor has agreed to advance the Company the funds necessary to complete such liquidation (currently anticipated to be no more than approximately \$15,000) and has agreed not to seek repayment of such expenses.

Q. If the Extension Amendment is approved, what happens next?

A. If the Extension Amendment is approved, the Company will continue to attempt to consummate an initial business combination until the Extended Date or the earlier date on which the Company's board of directors otherwise determines in its sole discretion that it will not be able to consummate an initial business combination by the Extended Date and does not wish to seek an additional extension.

The Company will remain a reporting company under the Securities Exchange Act of 1934 and its units, common stock and warrants will remain publicly traded until the Extended Date.

If the Extension Amendment is approved, the removal of the Withdrawal Amount from the trust account, if any, will reduce the amount remaining in the trust account and increase the percentage interest of Company shares held by the Company's officers, directors and their affiliates.

- Q. Would I still be able to exercise my redemption rights in the future if I vote against any subsequently proposed business combination?
- A. Unless you elect to redeem your shares in connection with this stockholder vote to approve the Extension Amendment, you will be able to vote on any subsequently proposed business combination when it is submitted to stockholders. If you disagree with the business combination, you will retain your right to vote against it and/or redeem your public shares upon consummation of the business combination in connection with the stockholder vote to approve such business combination, subject to any limitations set forth in the charter.
- Q. How do I change my vote?
- A. If you have submitted a proxy to vote your shares and wish to change your vote, you may do so by delivering a later-dated, signed proxy card to Advantage Proxy, P.O. Box 13581, Des Moines, WA 98198 Attention: Karen Smith, Telephone: 877-870-8565, the Company's proxy solicitor, prior to the date of the special meeting or by voting in person at the special meeting. Attendance at the special meeting alone will not change your vote. You also may revoke your proxy by sending a notice of revocation to Advantage Proxy.
- Q. How are votes counted?
- A. Votes will be counted by the inspector of election appointed for the meeting, who will separately count "FOR" and "AGAINST" votes, abstentions, and broker non-votes. The Extension Amendment must be approved by the affirmative vote of a majority of the issued and outstanding shares of common stock as of the record date.
- With respect to the Extension Amendment, abstentions and broker non-votes will have the same effect as "AGAINST" votes. If your shares are held by your broker as your nominee (that is, in "street name"), you may need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to "discretionary" items, but not with respect to "non-discretionary" items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange applicable to member brokerage firms. These rules provide that for routine matters your broker has the discretion to vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes. The Extension Amendment is not a discretionary item.
- Q. If my shares are held in "street name," will my broker automatically vote them for me?
- A. No. The Extension Amendment is not a discretionary item. Your broker can vote your shares only if you provide instructions on how to vote. You should instruct your broker to vote your shares. Your broker can tell you how to provide these instructions.
- Q. What is a quorum requirement?
- A. A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares of common stock on the record date are represented by stockholders present at the meeting or by proxy.
- Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the special meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes represented in person or by proxy at the special meeting may adjourn the special meeting to another date.

Q. Who can vote at the special meeting?

A. Only holders of record of the Company's common stock at the close of business on August 21, 2020 are entitled to have their vote counted at the special meeting and any adjournments or postponements thereof. On the record date, 7,863,069 shares of common stock were outstanding and entitled to vote.

*Stockholder of Record: Shares Registered in Your Name* If on the record date your shares were registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the special meeting or vote by proxy. Whether or not you plan to attend the special meeting in person, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

*Beneficial Owner: Shares Registered in the Name of a Broker or Bank.* If on the record date your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the special meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the special meeting unless you request and obtain a valid proxy from your broker or other agent.

Q. Does the board recommend voting for the approval of the Extension Amendment?

A. Yes. After careful consideration of the terms and conditions of these proposals, the board of directors of the Company has determined that the Extension Amendment is fair to and in the best interests of the Company and its stockholders. The board of directors recommends that the Company's stockholders vote "FOR" the Extension Amendment.

Q. What interests do the Company's directors and officers have in the approval of the Extension Amendment?

A. The Company's directors, officers and their affiliates have interests in the Extension Amendment that may be different from, or in addition to, your interests as a stockholder. These interests include, but are not limited to, beneficial ownership of insider shares and private shares and warrants that will become worthless if the Extension Amendment is not approved, loans by them that will not be repaid in the event of our winding up and the possibility of future compensatory arrangements. See the section entitled "The Special Meeting — Interests of the Company's Directors and Officers."

Q. What if I object to the Extension Amendment? Do I have appraisal rights?

A. Company stockholders do not have appraisal rights in connection with the Extension Amendment under the DGCL.

Q. What happens to the Company's warrants if the Extension Amendment is not approved?

A. If the Extension Amendment is not approved by September 16, 2020, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the outstanding public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including any interest but net of taxes payable, divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject (in the case of (ii) and (iii) above) to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. In such event, your warrants will become worthless.

Q. What happens to the Company's warrants if the Extension Amendment is approved? A. If the Extension Amendment is approved, the Company will continue to attempt to consummate a business combination until the Extended Date or an earlier date if the Company's board of directors determines in its sole discretion that it will not be able to consummate an initial business combination by the Extended Date and does not wish to seek an additional extension. The warrants will remain outstanding in accordance with their terms during any extension period. The warrants will still become exercisable commencing on the consummation of any business combination.

Q. What do I need to do now? A. The Company urges you to read carefully and consider the information contained in this proxy statement, including the annexes, and to consider how the Extension Amendment will affect you as a Company stockholder. You should then vote as soon as possible in accordance with the instructions provided in this proxy statement and on the enclosed proxy card.

Q. How do I redeem my shares of Company common stock? A. If the Extension is implemented, each public stockholder may seek to redeem its public shares for a pro rata portion of the funds available in the trust account, less any taxes we anticipate will be owed on such funds but have not yet been paid. Holders of public shares do not need to vote on the Extension Amendment or be a holder of record on the record date to exercise redemption rights.

To demand redemption, you must either physically tender your stock certificates to Continental Stock Transfer & Trust Company, the Company's transfer agent, at Continental Stock Transfer & Trust Company, 1 State Street, New York, New York 10004, Attn: Mark Zimkind, mzimkind@continentalstock.com, no later than two business days prior to the vote for the Extension Amendment or deliver your shares to the transfer agent electronically using The Depository Trust Company's DWAC (Deposit/Withdrawal At Custodian) System, which election would likely be determined based on the manner in which you hold your shares. You will only be entitled to receive cash in connection with a redemption of these shares if you continue to hold them until the effective date of the Extension.

Q. What should I do if I receive more than one set of voting materials? A. You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards, if your shares are registered in more than one name or are registered in different accounts. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Please complete, sign, date and return each proxy card and voting instruction card that you receive in order to cast a vote with respect to all of your Company shares.

Q. Who is paying for this proxy solicitation? A. The Company will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and officers may also solicit proxies in person, by telephone or by other means of communication. These parties will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

Q. Who can help answer my questions? A. If you have questions about the Extension Amendment or if you need additional copies of the proxy statement or the enclosed proxy card you should contact:

## BACKGROUND

### The Company

We are a Delaware company incorporated on July 24, 2017 for the purpose of entering into a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities.

In March 2018, we consummated our IPO of 11,500,000 units, including 1,500,000 units that were subject to the underwriters' over-allotment option, with each unit consisting of one share of common stock and one redeemable warrant, with each warrant to purchase one share of common stock. The units were sold at an offering price of \$10.00 per unit, generating gross proceeds of \$115,000,000.

Prior to our IPO, we issued an aggregate of 2,875,000 insider shares for an aggregate purchase price of \$25,000.

Simultaneous with the consummation of the IPO, we consummated the private placement of an aggregate of 445,000 private placement units at a price of \$10.00 per private placement unit, generating total proceeds of \$4,450,000.

The prospectus for our IPO and our charter originally provided that we had only until September 16, 2019 to complete a business combination. We were not able to consummate an initial business combination by such date. Since that time, the Company has sought and obtained stockholder approval to amend its charter to provide additional time to complete a business combination. Most recently, on June 18, 2020, the Company's stockholders approved an amendment to the charter to provide that the Company would have until September 16, 2020. Thereafter, on June 30, 2020, the Company announced that it had entered into definitive agreements for the BurgerFi Business Combination and will file the BurgerFi Business Combination Proxy Statement for the purpose of soliciting stockholder approval of the BurgerFi Business Combination at a special meeting of stockholders. If approved, the Company would then consummate the BurgerFi Business Combination immediately thereafter. Although the Company expects to file the BurgerFi Business Combination Proxy Statement as soon as possible, the Company thinks it is prudent to seek stockholder approval to extend the time.

The Company's principal executive office is located at 4218 NE 2nd Avenue, Miami, FL 33137.

## THE EXTENSION AMENDMENT

### The Extension Amendment

The Company is proposing to amend its charter to extend the date by which the Company has to consummate a business combination to the Extended Date. The Extension Amendment is essential to the overall implementation of the board of directors' plan to allow the Company more time to complete an initial business combination. Approval of the Extension Amendment is a condition to the implementation of the Extension. A copy of the proposed amendment to the charter of the Company is attached to this proxy statement as Annex A.

All holders of the Company's public shares, whether they vote for or against the Extension Amendment or do not vote at all, will be permitted to redeem all or a portion of their public shares into their pro rata portion of the trust account, provided that the Extension is implemented. Holders of public shares do not need to be a holder of record on the record date in order to exercise redemption rights. We will not proceed with the Extension if we do not have at least \$5,000,001 of net tangible assets following approval of the Extension Amendment, after taking into account the Redemption.

The per-share pro rata portion of the trust account on the record date after taking into account taxes owed but not paid by such date (which is expected to be the same approximate amount two business days prior to the meeting) was approximately \$[●]. The closing price of the Company's common stock on the record date was \$[●]. The Company cannot assure stockholders that they will be able to sell their shares of Company common stock in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such stockholders wish to sell their shares.

### Reasons for the Extension Amendment

The Company's IPO prospectus and charter provided that the Company had until September 16, 2019 to complete a business combination. Since that time, the Company has sought and obtained stockholder approval to amend its charter to provide additional time to complete a business combination. Most recently, on June 18, 2020, the Company's stockholders approved an amendment to the charter to provide that the Company would have until September 16, 2020. Thereafter, on June 30, 2020, the Company announced that it had entered into definitive agreements for the BurgerFi Business Combination and will file the BurgerFi Business Combination Proxy Statement for the purpose of soliciting stockholder approval of the BurgerFi Business Combination at a special meeting of stockholders. If approved, the Company would then consummate the BurgerFi Business Combination immediately thereafter. Although the Company expects to file the BurgerFi Business Combination Proxy Statement as soon as possible, the Company thinks it is prudent to seek stockholder approval to extend the time to close the transaction.

The Company believes that given its expenditure of time, effort, and money searching for potential business combination opportunities, circumstances warrant providing public stockholders an opportunity to consider the BurgerFi Business Combination. Accordingly, the Company has determined to seek stockholder approval to further extend the time for closing a business combination beyond September 16, 2020 to the Extended Date. The Company and its officers and directors agreed that it would not seek to amend the Company's charter to allow for a longer period of time to complete a business combination unless it provided holders of public shares with the right to seek redemption of their public shares in connection therewith.

### If the Extension Amendment Is Not Approved

If the Extension Amendment is not approved, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the outstanding public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including any interest but net of taxes payable, divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject (in the case of (ii) and (iii) above) to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

The holders of the insider shares and private shares have waived their rights to participate in any liquidation distribution with respect to such shares. There will be no distribution from the trust account with respect to the Company's warrants which will expire worthless in the event the Extension Amendment is not approved. The Company will pay the costs of liquidation from its remaining assets outside of the trust account. If such funds are insufficient, the Sponsor has agreed to advance the funds necessary to complete such liquidation (currently anticipated to be no more than approximately \$15,000) and has agreed not to seek repayment of such expenses.

#### **If the Extension Amendment is Approved**

If the Extension Amendment is approved, the Company will file an amendment to the charter with the Secretary of State of the State of Delaware in the form of Annex A hereto to extend the time it has to complete a business combination until the Extended Date. The Company will then continue to attempt to consummate a business combination until the Extended Date or until the Company's board of directors determines in its sole discretion that it will not be able to consummate an initial business combination by the Extended Date as described below and does not wish to seek an additional extension. The Company will remain a reporting company under the Securities Exchange Act of 1934 and its units, common stock and warrants will remain publicly traded during the extension period. The warrants will continue in existence in accordance with their terms.

**YOU ARE NOT BEING ASKED TO VOTE ON ANY BUSINESS COMBINATION AT THIS TIME. IF THE EXTENSION IS IMPLEMENTED AND YOU DO NOT ELECT TO REDEEM YOUR PUBLIC SHARES NOW, YOU WILL RETAIN THE RIGHT TO VOTE ON ANY PROPOSED BUSINESS COMBINATION WHEN AND IF IT IS SUBMITTED TO STOCKHOLDERS AND THE RIGHT TO REDEEM YOUR PUBLIC SHARES FOR A PRO RATA PORTION OF THE TRUST ACCOUNT IN THE EVENT THE PROPOSED BUSINESS COMBINATION IS APPROVED AND COMPLETED OR IF THE COMPANY HAS NOT CONSUMMATED A BUSINESS COMBINATION BY THE EXTENDED DATE.**

If the Extension Amendment is approved, and the Extension is implemented, the removal of the Withdrawal Amount from the trust account, if any, will reduce the Company's net asset value. The Company cannot predict the amount that will remain in the trust account if the Extension Amendment is approved, and the amount remaining in the trust account may be only a small fraction of the approximately \$\_\_\_\_\_ million that was in the trust account as of the record date. However, we will not proceed if we do not have at least \$5,000,001 of net tangible assets following approval of the Extension Amendment (after taking into account the redemption of public shares).

#### **Redemption Rights**

If the Extension Amendment is approved, and the Extension is implemented, each public stockholder may seek to redeem his public shares for a pro rata portion of the funds available in the trust account, less any taxes we anticipate will be owed on such funds but have not yet been paid, calculated as of two business days prior to the meeting. Holders of public shares do not need to vote on the Extension Amendment or be a holder of record on the record date to exercise redemption rights.

**TO DEMAND REDEMPTION, YOU MUST EITHER PHYSICALLY TENDER YOUR STOCK CERTIFICATES TO CONTINENTAL STOCK TRANSFER & TRUST COMPANY, THE COMPANY'S TRANSFER AGENT, AT CONTINENTAL STOCK TRANSFER & TRUST COMPANY, 1 STATE STREET, NEW YORK, NEW YORK 10004, ATTN: MARK ZIMKIND, MZIMKIND@CONTINENTALSTOCK.COM, NO LATER THAN TWO BUSINESS DAYS PRIOR TO THE VOTE FOR THE EXTENSION AMENDMENT OR DELIVER YOUR SHARES TO THE TRANSFER AGENT ELECTRONICALLY USING THE DEPOSITORY TRUST COMPANY'S DWAC (DEPOSIT/WITHDRAWAL AT CUSTODIAN) SYSTEM.** You will only be entitled to receive cash in connection with a redemption of these shares if you continue to hold them until the effective date of the Extension Amendment and Redemption. The requirement for physical or electronic delivery prior to the vote at the special meeting ensures that a redeeming holder's election is irrevocable once the Extension Amendment is approved. In furtherance of such irrevocable election, stockholders making the election will not be able to tender their shares after the vote at the special meeting.

The electronic delivery process through the DWAC system can be accomplished by the stockholder, whether or not it is a record holder or its shares are held in "street name," by contacting the transfer agent or its broker and requesting delivery of its shares through the DWAC system. Delivering shares physically may take significantly longer. In order to obtain a physical stock certificate, a stockholder's broker and/or clearing broker, DTC, and the Company's transfer agent will need to act together to facilitate this request. There is a nominal cost associated with the above -referenced tendering process and the act of certificating the shares or delivering them through the DWAC system. The transfer agent will typically charge the tendering broker a nominal amount and the broker would determine whether or not to pass this cost on to the redeeming holder. It is the Company's understanding that stockholders should generally allot at least two weeks to obtain physical certificates from the transfer agent. The Company does not have any control over this process or over the brokers or DTC, and it may take longer than two weeks to obtain a physical stock certificate. Such stockholders will have less time to make their investment decision than those stockholders that deliver their shares through the DWAC system. Stockholders who request physical stock certificates and wish to redeem may be unable to meet the deadline for tendering their shares before exercising their redemption rights and thus will be unable to redeem their shares.

Certificates that have not been tendered in accordance with these procedures prior to the vote for the Extension Amendment will not be redeemed into a pro rata portion of the funds held in the trust account. In the event that a public stockholder tenders its shares and decides prior to the vote at the special meeting that it does not want to redeem its shares, the stockholder may withdraw the tender. If you delivered your shares for redemption to our transfer agent and decide prior to the vote at the special meeting not to redeem your shares, you may request that our transfer agent return the shares (physically or electronically). You may make such request by contacting our transfer agent at address listed above. In the event that a public stockholder tenders shares, and the Extension Amendment is not approved or is abandoned, these shares will be redeemed in accordance with the terms of the charter promptly following the meeting, as described elsewhere herein. The Company anticipates that a public stockholder who tenders shares for redemption in connection with the vote to approve the Extension Amendment would receive payment of the redemption price for such shares soon after the completion of the Extension Amendment. The transfer agent will hold the certificates of public stockholders that make the election until such shares are redeemed for cash or redeemed in connection with our winding up.

If properly demanded, the Company will redeem each public share for a pro rata portion of the funds available in the trust account, less any taxes we anticipate will be owed on such funds but have not yet been paid, calculated as of two business days prior to the meeting. As of the record date, after taking into account taxes owed but not paid by such date, this would amount to approximately \$[●] per share (which is expected to be the same approximate amount as of two business days prior to the meeting). The closing price of the Company's common stock on the record date was \$[●].

If you exercise your redemption rights, you will be exchanging your shares of the Company's common stock for cash and will no longer own the shares. You will be entitled to receive cash for these shares only if you properly demand redemption by tendering your stock certificate(s) to the Company's transfer agent prior to the vote for the Extension Amendment. If the Extension Amendment is not approved or if it is abandoned, these shares will be redeemed in accordance with the terms of the charter promptly following the meeting as described elsewhere herein.

## The Special Meeting

**Date, Time and Place.** The special meeting of the Company's stockholders will be held at 10:00 a.m., EST on September 15, 2020 via teleconference using the following dial-in information:

[ ]

**Voting Power; Record Date.** You will be entitled to vote or direct votes to be cast at the special meeting, if you owned Company common stock at the close of business on August 21, 2020, the record date for the special meeting. At the close of business on the record date, there were 7,863,069 outstanding shares of Company common stock each of which entitles its holder to cast one vote per proposal. Company warrants do not carry voting rights.

**Proxies; Board Solicitation.** Your proxy is being solicited by the Company's board of directors on the proposal being presented to stockholders at the special meeting. No recommendation is being made as to whether you should elect to redeem your shares. Proxies may be solicited in person or by telephone. If you grant a proxy, you may still revoke your proxy and vote your shares in person at the special meeting. Advantage Proxy, Inc. is assisting the Company in the proxy solicitation process for this special meeting. The Company will pay that firm approximately \$5,500 in fees plus disbursements for such services at the closing of any proposed business combination.

### Required Vote

The affirmative vote by holders of a majority of the Company's issued and outstanding common stock is required to approve the Extension Amendment. Abstentions and broker non-votes will have the same effect as "AGAINST" votes with respect to the Extension Amendment. All of the Company's directors, executive officers and their affiliates are expected to vote any common stock owned by them in favor of the Extension Amendment. On the record date, the initial stockholders beneficially owned and were entitled to vote 2,875,000 insider shares and 445,000 private shares, representing approximately 42% of the Company's issued and outstanding common stock.

In addition, the Sponsor and the Company's directors, executive officers and their respective affiliates may choose to buy public shares in the open market and/or through negotiated private purchases. In the event that purchases do occur, the purchasers may seek to purchase shares from stockholders who would otherwise have voted against the Extension Amendment and elected to redeem their shares into a portion of the trust account. Any public shares purchased by affiliates will be voted in favor of the Extension Amendment.

### Interests of the Company's Directors and Officers

When you consider the recommendation of the Company's board of directors, you should keep in mind that the Company's executive officers and members of the Company's board of directors have interests that may be different from, or in addition to, your interests as a stockholder. These interests include, among other things:

- If the Extension Amendment is not approved and we do not consummate a business combination by September 16, 2020, the 2,875,000 insider shares which were acquired for an aggregate purchase price of \$25,000 will be worthless (as the holders have waived liquidation rights with respect to such shares), as will the 445,000 private placement units that were acquired simultaneously with the IPO for an aggregate purchase price of \$4,450,000. Such common stock and units had an aggregate market value of approximately \$[●] based on the last sale price of \$[●] and \$[●] of the common stock and units, respectively, on Nasdaq on the record date.
- In connection with the IPO, the Sponsor has agreed that if the Extension Amendment is not approved and the Company liquidates, it will be liable under certain circumstances to ensure that the proceeds in the trust account are not reduced by certain claims of target businesses or vendors or other entities that are owed money by the Company for services rendered, contracted for or products sold to the Company;

- All rights specified in the Company's charter relating to the right of officers and directors to be indemnified by the Company, and of the Company's officers and directors to be exculpated from monetary liability with respect to prior acts or omissions, will continue after a business combination. If the Extension Amendment is not approved and the Company liquidates, the Company will not be able to perform its obligations to its officers and directors under those provisions;
- If the Company is unable to complete a business combination within the required time period, it will pay the costs of any subsequent liquidation from its remaining assets outside of the trust account. If such funds are insufficient, the Sponsor has agreed to pay the funds necessary to complete such liquidation (currently anticipated to be no more than approximately \$15,000) and has agreed not to seek repayment for such expenses;
- The Company's officers and directors and their affiliates have loaned the Company an aggregate of approximately \$2,746,464 as of the record date. If the Extension Amendment is not approved and a business combination is not consummated, these loans will not be repaid;
- The Company's officers, directors and their affiliates are entitled to reimbursement of out-of-pocket expenses incurred by them in connection with certain activities on the Company's behalf, such as identifying and investigating possible business targets and business combinations. If the Extension Amendment is not approved and a business combination is not consummated, these out-of-pocket expenses will not be repaid.

Additionally, if the Extension Amendment is approved and the Company consummates an initial business combination, the officers and directors may have additional interests that would be described in the proxy statement for such transaction.

**Board Recommendation**

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE EXTENSION AMENDMENT. THE BOARD OF DIRECTORS EXPRESSES NO OPINION AS TO WHETHER YOU SHOULD REDEEM YOUR PUBLIC SHARES.**
